SOCIAL SERVICE PACKAGE

01 Set Expectations

Here we clearly state our intentions to our clients and set expections for both parties.

02 Gather Assets

Now we gather all necessary assets in order to commerce work.

- Google Drive
- Social logins
- Content
  - vids, pics, gifs etc.

03 Create Image Quotes

Once assets are gathered begin creating the quotes.

- Connect all assets to schedulers / reporting tools
- Schedule content
- Create content calendar

04 Strategy Session

In this step we sit together with our client and come up with a plan to execute.

- Client approval
- Content, content calendar

05 Action

Now we set in motion the plan we've put together.

- All posts are scheduled and dissemination starts

06 Reporting & Real Time Changes

Here we monitor, report to client and repeat successful actions.

- First benchmark report
- Expectations re-established
- Compound effect & 45-day timeline explained
- Trickle vs Compound.
